

PROJECT ESTIMATE REQUEST
INSTRUCTIONS AND DRAWING GRID

You may get an estimate by fax or in our office if you provide us with the drawing and approximate dimensions of the countertops. We strongly recommend that you visit our showroom in order to select the color and style of your stone.

Please provide the following:

Job Referencing

a. Customer's Name _____

Please reference this same name on the drawing

b. City/Town, State _____

c. Phone Number _____

Job Description

a. Stone Selection (Stone Name/Category) _____

b. Edge Selection (eg. Eased, Bullnose, Ogee) _____

c. Sink Type (eg. Drop-in, Under-mount) _____

d. Backsplash (eg. 8", 18", Other) _____

Layout/Drawing Instructions:

Submit your layout/drawing with measurements using the grid provided.

Indicate Counter Area, marking finished edges with "X" and backsplash areas with "B/S". Show approximate location of appliances (sink, stove, cooktop, etc.) as indicated in the sample drawing.

NOTE: Standard depth of cabinet is 24 inches. Standard overhang of countertop is 1½ inches. That makes the standard countertop depth 25½ inches.

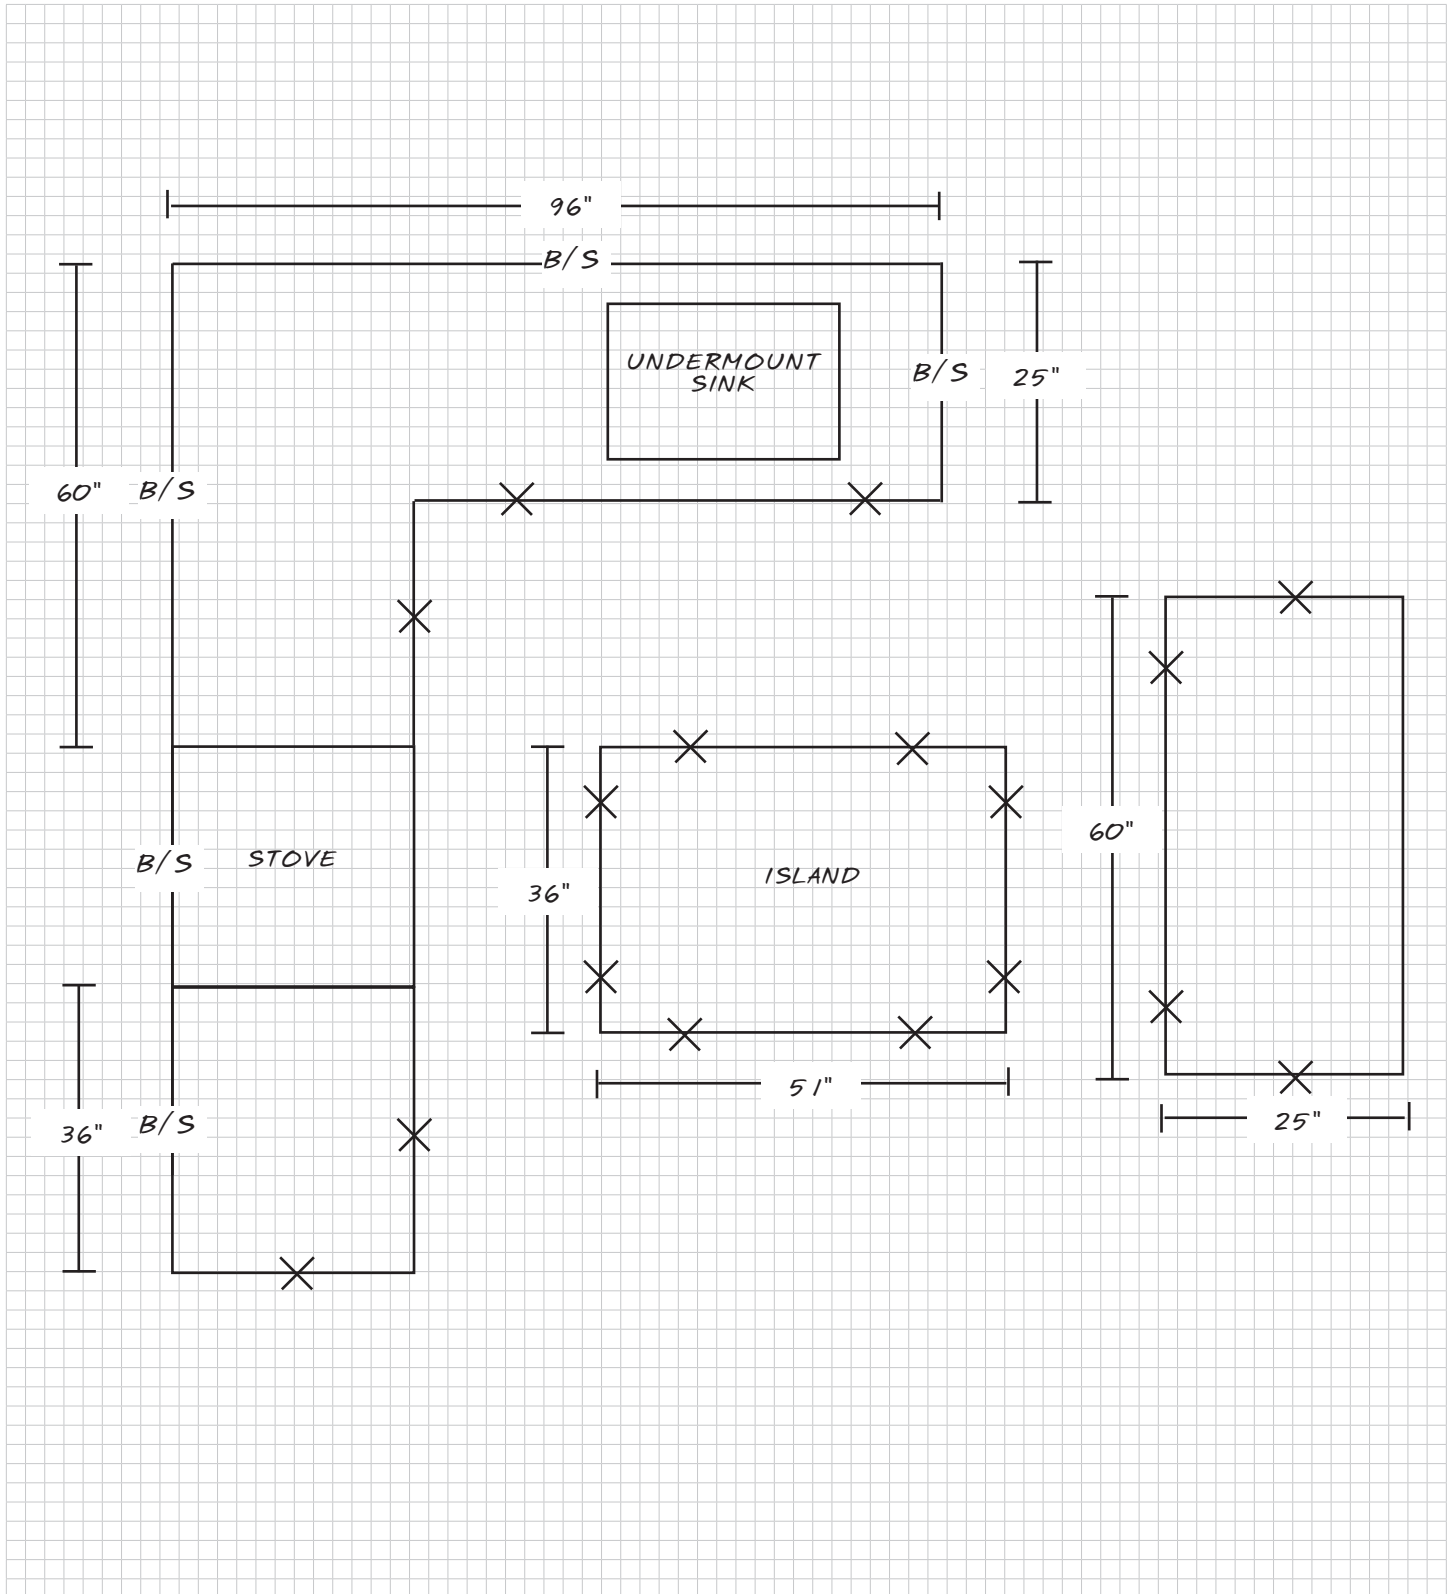

Fax this page and your drawing to: 662.329.2856
